

USGBC SC SUSTAIN SC 2009 REQUEST FOR PRESENTATIONS

The USGBCSC Chapter is requesting abstracts of presentations for Sustain SC 2009, our organization's yearly educational conference and trade show held on May 7th and 8th, 2009 at the Carolina First Expo Center in Greenville, South Carolina. **Presentations are being requested of professional organizations and sponsors interested in educating other professionals and the general public about the benefits of sustainable planning, design, operations, and lifestyles until MARCH 03, 2009.** Up to fourteen one hour education sessions are planned. A maximum of two presenters per session will be provided with admission to Sustain SC '09 free of charge. The organization being represented will be included as a program partner in many pre-conference and conference advertising opportunities. Sponsorship of events will be available.

Remit to Mary Pat Crozier, AIA, LEED AP by MARCH 03, 2009:
